Good afternoon Jamie,

CNSC staff have reviewed the preliminary submitted on November 21, 2017 in addition to the full report provided below and have no further comments. CNSC staff found that the information provided met the report requirements prescribed in Section 37 and Section 38 of the PTNSR's. No further action is required by SRBT at this time.

Please don't hesitate to contact me should you have any questions.

Best regards,

Rinat Rashapov

Good day Mr. Rashapov,

Attached please find a letter from Stephane Levesque regarding the submission of SRBT's full report on the recent event where a package of SRBT aircraft signs in transit was declared lost by UPS-SCS. The full report is appended to the letter.

A preliminary report for this event was filed with CNSC staff on November 21, 2017. Today's submission completes SRBT's reporting requirements as defined in Section 38 of the *Packaging and Transport of Nuclear Substances Regulations*.

Should you have any questions on this submission, please do not hesitate to contact me at any time.

Best regards,

Jamie MacDonald
