Dear Ross:

I would like to take this opportunity to personally thank you for your dinner sponsorship for our 21st Annual Golf Tournament. We raised over **\$17,000** this year and are proud to say, that with contributions like yours, we have made over **\$235,000** over the past 21 years!

The money raised has been applied to Community Living's Outcome Fund. This is a fund that is designated for the people we provide services to. It is often used for necessities, for rent subsidy, and for special occasions, such as to assist someone to take a trip or visit with family who live out of town. The fund is as unique as the people we support, and this money has been a huge boost to that fund in the past few years.

We are looking forward to your continued partnership with our agency and helping to enhance the lives of the people we support. It is our goal to continue to "shift the culture of the community", seeing the organization and people supported involved in new and exciting ventures. Whether it's in housing, education or employment, **WE ARE ALL AMBASSADORS FOR AN INCLUSIVE COMMUNITY!**

Sincerely,

Chris Grayson
Executive Director
