Subject: CNSC Staff Review of SRBT Full Report - Event Defined as a Dangerous Occurrence, as per Section 35 (c) of the PTNSR

Dear Mr. Levesque:

Canadian Nuclear Safety Commission (CNSC) staff has reviewed SRB Technologies (Canada) Inc. (SRBT) submission [Ref. 1] where a trailer containing a shipment of expired signs destined for the SRBT facility was suspected to have been stolen on November 1, 2016 and subsequently recovered on December 15, 2016.

CNSC staff have no further questions related to this report and consider it closed.

Should you require any further information or have any questions regarding this letter please contact myself at (613) 943-7909 or by e-mail at robert.buhr@canada.ca

Sincerely,

Robert Buhr
Project Officer
Nuclear Processing Facilities Division
