Subject: CNSC Staff Review of SRB Technologies (Canada) Inc.’s Implementation of Contingency Plan – Feb 19, 2021

Dear Mr. MacDonald:

Canadian Nuclear Safety Commission (CNSC) staff have reviewed SRB Technologies (Canada) Inc.’s (SRBT) full report “Implementation of Contingency Plan – Feb 19, 2021” [1]. This is in response to the preliminary report submitted by SRBT on February 19, 2021 [2]. CNSC staff have reviewed the full report and are satisfied with SRBT’s response and implementation of its contingency plan and subsequent coordination with Pembroke Fire Department in accordance with their Memorandum of Understanding.

CNSC staff request further information regarding the non-conformance reports raised as well as any corrective actions to be implemented as a result of this event. CNSC staff request that this information be submitted by **March 31, 2021**.

Should you require any further information or have any questions regarding this letter, please contact me.

Sincerely,

Lester Posada
Project Officer
Nuclear Processing Facilities Division
