Pembroke, ON K8A 6W5

Subject: Notice of CNSC Type II Compliance Security Inspection of SRB Technologies (Canada) Inc. February 8, 2018

Dear Mr. Levesque,

Pursuant to paragraph 30(1)(a), of the *Nuclear Safety and Control Act* (NSCA), the Canadian Nuclear Safety Commission (CNSC) staff plan to conduct a Type II Compliance Inspection of SRBT Security Program for the facility located in Pembroke, Ontario, on February 8, 2018.

The purpose of this inspection is to verify SRBT's processes and performance related to Safety and Control Area of Security as per the NSCA, associated regulations, SRBT's operating licence NSPFOL-13.00/2022, and Licence Conditions Handbook.

The inspection team will include:

- Raphaël Duguay, CNSC Security Advisor/Inspector: Inspection Team Leader
- Rinat Rashapov, CNSC Project Officer: Inspection Team Member (Inspector-in-training)
- Julian Amalraj, CNSC Project Officer: Inspection Team Member
- LeeZa Duval, CNSC Security Officer: Inspection Team Member (Inspector-in-training)

The inspection may encompass all Safety and Control Areas (SCAs) but will have a focus on the following SCA:

- Security

As per the CNSC's Conduct of Inspection process, a detailed agenda will be provided in advance of the inspection date. Additional requests for documentation and/or SRBT personnel presence requests related to the inspection will be sent in a separate communication.

Should you require further information or clarification regarding this inspection, please do not hesitate to contact me.

Best regards,

Rinat Rashapov
Project Officer
Nuclear Processing Facilities Division
