Subject: Full Report - Fire Event Near SRBT Facility on January 2, 2019
Attachments: E-DOCS-#-5763333-Full_Report_-_Fire_Event_Near_SRBT_Facility.MSG.DRF

Good Day, Jamie.

Receipt acknowledged. This submission serves to fulfill the reporting requirements of GNSCR subsection 29(2). If CNSC staff requires any additional information we will do so via formal correspondence.

During the course of the general inspection that scheduled for Feb 26-28, 2019 we intend to discuss in person with you the contents of this report and also learn more about the significant fire that took place approximately 500m southeast of your facility.

Thank you,

John Thelen
