**Subject: Notice of Type II Security Inspection planned on October 25, 2022  
SRB Technologies (Canada) Inc. Pembroke, ON  
CNSC reference: SRBT-2022-01**

Dear Mr. MacDonald,

Pursuant to paragraph 30(1)(a), of the *Nuclear Safety and Control Act*, the Canadian Nuclear Safety Commission (CNSC) staff plan to conduct a Type II Compliance inspection of the SRB Technologies (Canada) Inc. security program on October 25, 2022.

The purpose of this inspection is to verify SRBT's processes and performance related to safety and Control Area of Security as per the *Nuclear Safety and Control Act*, associated regulations, and operating licence NSPFL-13.00/2034.

The inspection team will include:

- Raphaël Duguay, Senior Security Advisor and Inspector
- Andrew Smith, Nuclear Security Intelligence Officer
- Dylan Pierce, Security Advisor
- Lester Posada, Project Officer

The inspection may encompass all Safety and Control Areas (SCA) but will have a focus on the following SCA(s):

- Security

As per the CNSC's Conduct of Inspection process, a detailed agenda is provided in advance of the inspection date in the attachment.

Should you require further information or clarification regarding this inspection, please do not hesitate to contact me.

Best Regards,

Lester Posada  
Project Officer  
Canadian Nuclear Safety Commission
